Onsite Program Guide Advertising

Enhance Visibility and Drive Attendees to Your Booth

Statistics show that attendees come to an exposition with a set agenda of exhibits to visit. Make this your most successful conference by inviting attendees to your booth through the use of an advertisement in the conference program guide. The program guide is given to all 2,000+ attendees at registration and includes the conference schedule and a complete list of all speakers with bios, the poster presentations, and the exhibit hall map. Attendees refer to the guide often, not only on site at the conference, but throughout the year, which gives your advertisement repeated exposure.
